

ASB - Early Intervention Scotland

Online housing training

Anti-social behaviour continues to be a key area of concern for communities. ASB early intervention prevents escalation, saving time and money.

In the course we consider different tools to tackle ASB such as, warnings, mediation, counselling and support, acceptable behaviour contracts and more.

This course is for officers, team leaders and managers within ASB and housing management teams. The skills and understanding developed will deliver early and visible results, obtaining maximum benefit from available resources.
